# PRODUCT REVIEWS + TICKETS + REMINDERS + RICH SNIPPETS

MyPrestaReviews Service allows you to increase customers loyalty and conversion rate using reviews and ticket system.

Download module now and get 3 months free subscription!

INSTALLATION:

Installing **Product Reviews + Tickets + Reminders + Rich Snippets** module into your PrestaShop store is simple and fast.
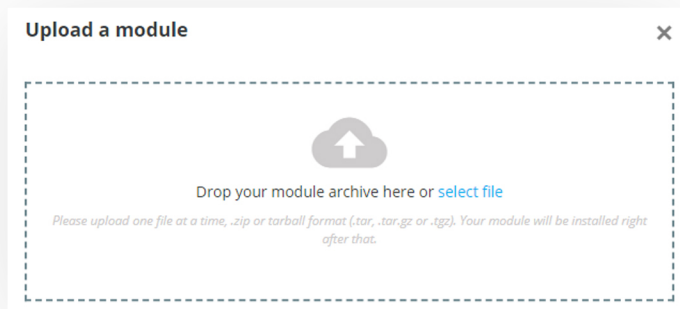

1. Log in to the admin panel of your store and go to **«Modules > Modules Catalog»**:

2. Once you have reached your Modules page, click the **«Install a module»**:
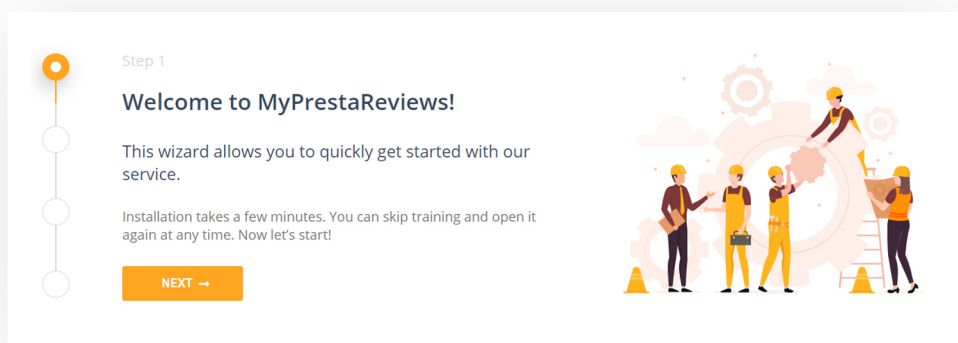

3. Drag&Drop a **mpm_helpdesc.zip** or choose it from your computer:

Upload a module   ✕

Drop your module archive here or select file

Please upload one file at a time, .zip or tarball format (.tar, .tar.gz or .tgz). Your module will be installed right after that.

4. If everything went well, you will see the following message:

✓

Module installed!

Configure

5. Register at **myprestareviews.com** and complete a startup wizard:

Step 1

Welcome to MyPrestaReviews!

This wizard allows you to quickly get started with our service.

Installation takes a few minutes. You can skip training and open it again at any time. Now let's start!
